## **NOTICE OF STREET CONSTRUCTION**

### **Torrance Boulevard Rehabilitation**

Dear Citizen,

On **the night of Friday, May 15<sup>th</sup>**, the City's sub-contractor, Chrisp Company, will be installing the final striping on Torrance Boulevard between Anza Avenue and Palos Verdes Boulevard.

#### **TRAFFIC IMPACTS AND ACCESS**

Traffic will be reduced to one lane in each direction during the installation. The bike lanes for both the eastbound and westbound directions will be closed. Street parking on both sides of Torrance Boulevard will be prohibited; however, access to side streets and driveways will be accessible during the installation.

#### **INSTALLATION**

To apply the final striping, the work is performed at night when traffic is minimal. Therefore, the working hours are from approximately 8:00 p.m. Friday night to 6:00 a.m. Saturday morning. Please be advised that the noise of the striping equipment is similar to that of a delivery truck.

We thank you for your cooperation and patience during the construction. Although inconveniences are expected, it is our goal to complete the work as quickly as possible.

For questions or more information, please contact the following City staff:

Bill Kamimura, Project Engineer (310) 618-3078

Ron Katayama, Project Inspector (310) 901-9224
